MESSAGE FROM THE **SECRETARY DESK**

The Institute of Education and Technology Society, Ranchi established in the year 2003 is a leading organization that is striving for the promotion of excellent education sections of the society, especially for socially and economically weaker sections.

Our aim is to produce professional and dynamic young generation who would blossom freely and will accept the career challenges in this fast changing environment.

At Institute of Pharmacy our staff committed to develop the potential and nurture the talent of each and every student, so that they will realize their responsibility towards society and they will prove themselves as true "Community Pharmacist".

I hope my students will take full advantage of all the facilities provided to them and will achieve set goals and will uplift Pharmacy Profession.

SANJEEV KUMAR
Secretary
Institute of Education & Technology

INTRODUCTION ABOUT COLLEGE

Institute of Education and Technology was established in the year 2023 at Rudia, Ranchi, Jharkhand, is a Unit of Institute of Education & Technology Society, Ranchi. The college is affiliated by Pharmacy Council of India (PCI) New Delhi (A statutory body under the Ministry of Health & Welfare Government of India) in the year 2023. IET runs Diploma in Pharmacy course. The IET is the outcome of enduring effort made by team of young dynamic educated enterprising and technically qualified people. A few educated youth thought opening such a college which will impart Training in various vocational courses and meet the growing need of technicians at the same time offer them opportunities in self employment and job opportunity in various medical sectors.

IET is the well equipped Pharmacy College for specialization especially technical education. It has become imperative to have theoretical knowledge as well as practical knowledge. IET we help students develop these skills and make them Independent and database enables us to offer the right placement for the right student.

It is a unique college of Pharmacy in Jharkhand, a well equipped laboratory, library, Practical Facilities with expert & experienced faculties. Our College puts stress on both quality and quantity supported by our dedicated faculty & guest lectures, Seminars and workshops are arranged frequently by eminent personalities of the industry. The students benefit directly from the professional environment in which they study and live. Institute of Education and Technology is fully geared to meet the challenge and demand of professionals, by gradually reducing gap between the demand and supply, by continuously producing top grade specialist. The college is gradually carving a niche for itself and it is not compromising the quality.

DISCIPLINE AND CONDUCT

Student / Parents / Guardians are specifically requested to note the discipline rules of the Institute and the code of conduct for the students of IET Society's Institute of Education and Technology.

1. The student must be absolutely regular in his/her attendance for theory and practical classes. In case the student's attendance is less than 75% at the theory lectures and the practicals separately, his/her term will not be granted. In case of genuine reason the student or his/her guardian must inform to the authorities of the institute about the reason of remaining absent.
2. The student must be present for all the tutorials and the guest lecture.
3. The student name will be struck off from the roll call if he/she remains absent for more than one month without prior written notice.
4. The student should complete all the term works such as journals or any other assignment as per schedule in the prescribed time.
5. The student should note he/she is responsible to the authority of the Institute behavior outside. Violation of the Institute rules or any act of indiscipline within the campus will make him/her liable for the strict disciplinary action.
6. The student should not participate in any political or antisocial activities. No person shall be invited to address any meeting without the prior permission of the Principal in writing.
7. Smoking, drinking, use of drugs, gutka, chewing gum etc. in the Institute premises and campus is strictly prohibited.
8. Students are not allowed to use or carry mobile phones in the campus. If the student violates the rule his mobile will be confiscated.
9. Students should help in maintaining the building and the campus clean and tidy.
10. Student should behave politely with teachers and other employees.
11. Ragging of students in any form is not allowed. Strict disciplinary action will be taken if any one is found guilty.
12. Students are advised to read the institute notice board daily.
13. After the declaration of result the students must renew his/her identity card from the institute office and always carry it and produce the same in the institute library and in the laboratories. If he/she misplaces the identity card duplicate identity card should be collected from the institute.
14. The IET Society is committed to the build National character and stands for Discipline and Moral Values of the students and therefore expected that students should behave politely and decently so as to enhance his/her own image and the reputation of the Institute of Pharmacy.
